YOUR JOURNEY STARTS HERE...

Where and what to study? It's a big decision and Open Days are a key part of getting it right.

At our Open Day, you can discover all that awaits you at the University of South Wales. You can explore the campus, sample lectures, see where you'll live and speak to tutors and students – giving you a real feel for what it's like to be a student here.

This programme gives you a plan of what's happening on the day, and essential information, including directions and when to arrive.

The rest is up to you. Be sure to make the most of your day here – ask lots of questions, try things out, take a good look around and make yourself at home.

We hope you find everything you need in this programme, but if you've got any questions, just get in touch. We're looking forward to seeing you!

ENJOY AND GET INVOLVED

This Open Day is the best way to find out if the University of South Wales is right for you, so make the most of it and find out as much as you can.

IMPORTANT INFORMATION

Travel information

Travel information and directions to our Glyntaff Campus are on our website: **www.southwales.ac.uk/visiting**. Free parking is also available on campus. If you are using a satnav, please use the postcode **CF37 4BD**. If you are travelling by train, please alight at Treforest train station.

All locations are within easy walking distance of each other, although a shuttle bus service will be running between the **Elaine Morgan building** (map ref. 3), student accommodation and Treforest train station throughout the day.

Registration

There are two registration points on campus; The Zone in the **Elaine Morgan building** (map ref. 3) at Lower Glyntaff, and the **Alfred Russel Wallace building** (map ref. 9) at Upper Glyntaff. Check your planner on pages 4 and 5 for the time and location of your registration. To avoid queues at registration, don't forget to bring the letter we sent you with your QR code. If your registration time is later in the morning, you're welcome to arrive earlier and explore the campus or take a tour of our student accommodation.

Help during the Open Day

If you have any questions during the day, simply ask a member of staff or a student ambassador – they're here to help you. There's first aid available, so ask a member of staff if you need it. If there's an emergency, alert the nearest member of staff or call the emergency services on 999.

Welsh speaker?

Croeso! At the University of South Wales, we have lots of opportunities for students who want to develop their Welsh language skills. You can find out more at **www.decymru.ac.uk/cymraeg-de-cymru**, by e-mailing **cymraeg@decymru.ac.uk**, or just ask a member of staff while you're here.

TALKS, TOURS AND ADVICE

GET THE VIP TREATMENT

For a VIP experience at the Open Day, download our free UniBox app from Google Play or the iPhone App Store. Make sure you switch on your location services to access all the features.

FREE UNIBOX APP

1. Get up-to-date information about the campus you're on and the subject you're interested in.
2. Watch videos of your chosen subject to get a real taste of what your studies will be like.
3. Be inspired by what our students get up to when they're not studying.
4. Get directions from your home to the University, whether you're driving or travelling by public transport.
5. Select your campus and subject area to get your own personal timetable.

ESSENTIAL TALKS

Welcome

Start your day by finding out what the University of South Wales has to offer you. From fantastic facilities to excellent support and work experience schemes – it's an exciting time to study here.

Student Finance

How much will university cost and how will you pay for it? Get a practical insight into financial support, such as student loans and grants, how and when to apply for funding, and extra sources of income.

Accommodation

Find out all you need to know about accommodation options at the University of South Wales. Where you live is just as important as what you learn, and we want this to be your home from home.

Student Life

In this session, our students share their experiences of life at the University of South Wales, so you know what it's really like to study here – they'll answer any questions you've got too.

TAKE A LOOK AROUND

Get a feel for what it's like to be a student here – take the time to explore on these tours:

Accommodation tour

Take a look at our accommodation and find out about life in Halls of Residence, from a student point of view. These tours leave from outside the **Elaine Morgan building** (map ref. 3), Lower Glyntaff, from **8.30am onwards**, and take around 45 minutes.

Campus tour

Our friendly student ambassadors can take you on a complete tour of our facilities including our Library and Student Centre, Students' Union, and Sports Centre. This is also your chance to ask them questions about day-to-day university life. Tours leave from outside the **Elaine Morgan building** (map ref. 3), Lower Glyntaff, from **10am onwards**, and take around 40 minutes.

EXPLORE THE CAMPUS

95%
OF OUR GRADUATES
are in employment or further study within six months of graduation.*
*DLHE 2016

PLAN YOUR DAY

To find the relevant subject heading for your course, see our course index on page 7. Depending on your subject choice, registration takes place either in the **Elaine Morgan building** (map ref. 3) or the **Alfred Russel Wallace building** (map ref. 9) – check the planner for details.

REFRESHMENTS

Grab a coffee or a bite to eat at our **Zone Restaurant** in the Elaine Morgan building (map ref. 3) or **Matrix Cafe** in the Alfred Russel Wallace building (map ref. 9).

SNAP. TWEET AND SHARE

Keep up with what's happening at the Open Day – follow us on Twitter: **@unisouthwales** Facebook: **UniversityofSouthWales** and Instagram: **unisouthwales**

We would love to hear about your visit, so tweet your thoughts and share your photos using: **#loveUSW**. To see all the photos and comments from the Open Day, follow: **@unisouthwales**

We've got talks, tours and workshops happening throughout the day to give you a taste of our courses. To find out what's happening for the subject you're interested in, view the planner on pages 4 and 5 or visit: www.southwales.ac.uk/opendays

INFORMATION STANDS

You've probably got lots of questions about becoming a student at the University of South Wales. Luckily, there will be people at the Open Day who can answer them.

Ask our experts all the questions you have about studying here. The Information Stands will be open between **8.30am and 2.30pm** in the **Elaine Morgan building** (map ref. 3), so drop by and chat to our staff.

Careers

How can you make the most of your time at university to stand out in the graduate jobs market? What career options will you gain from your course? Speak to our careers staff to find out about industry links and the wide range of support available to help give you an edge, including work experience, student enterprise and careers events.

Visit the Careers Stand in the **Alfred Russel Wallace building** (map ref. 9), Upper Glyntaff, between **9.30am and 3pm**.

Student finance

Staff from our Student Money Advice Team can answer your queries about all aspects of student finance – including tuition fees, loans, grants and scholarships.

Disability and dyslexia support

A member of our team will be available to explain the specialist support on offer. To book an appointment to discuss your needs, call **01443 482 080** or e-mail **ddsadviser@southwales.ac.uk** before your visit.

Applying to university

Speak with our admissions staff to get all the information you need to apply to the University of South Wales. You can find our Admissions Staff at the Information Stands in the **Aneurin Bevan building** (map ref. 6) from **10.15am to 2.30pm**.

ASK OUR EXPERTS At the Information Stands you can ask all the questions that you have about studying here

CHOOSE THE RIGHT COURSE

For the Open Day, courses are grouped by subject area. Once you've found the course you want to study, simply note the subject in the heading and check the planner (pages 4 and 5) to see what's happening for that subject and when.

Biological Sciences
- Biology
- Human Biology
