YOUR JOURNEY STARTS HERE...

Where and what to study? It's a big decision and Open Days are a key part of getting it right.

At our Open Day, you'll get a real feel for what it's like to be a student at the University of South Wales. This programme gives you a plan of what's happening on the day and essential information, including directions and when to arrive.

The rest is up to you. Be sure to make the most of your day here – ask lots of questions, try things out, take a good look around and make yourself at home.

We hope you find everything you need in this programme, but if you've got any questions, just get in touch. We're looking forward to seeing you!

IMPORTANT INFORMATION

Travel information

Travel information and directions to our Cardiff Campus can be found on our website: www.southwales.ac.uk/visiting. Our postcode is CF24 2FN.

We have three campuses across south Wales, so if you are travelling by train please alight at either Cardiff Central or Cardiff Queen Street stations. Cardiff Central station is just a ten minute walk from the ATRiuM building, while Cardiff Queen Street station is only a two minute walk.

If you're coming by car, don't forget there isn't parking on campus. Check the campus map on the back cover to find car parks close by – there's one directly opposite the main entrance on Adam Street.

Registration

When you get here, head to the main foyer to register. Registration takes place at specific times, so you need to check the planner (pages 4 and 5) to see what time to register for your subject. To avoid queues at registration, don't forget to bring the letter we sent you with your QR code. If your registration time is later in the morning, you're welcome to arrive a bit earlier and explore the campus.

Help during the Open Day

If you have any questions during the day, simply ask a member of staff or a student ambassador – they're here to help you. There's first aid available, so ask a member of staff if you need it. If there's an emergency, alert the nearest member of staff or call the emergency services on 999.

Welsh speaker?

Croeso! At the University of South Wales, we have lots of opportunities for students who want to develop their Welsh language skills. You can find out more by attending a talk or the information fair during the day (see planner) or at www.decymru.ac.uk/cymraeg-decymru, by e-mailing cymraeg@decymru.ac.uk, or just ask a member of staff while you're here.

ENJOY AND GET INVOLVED

This Open Day is the best way to find out if the University of South Wales is right for you, so make the most of it and find out as much as you can.
