YOUR JOURNEY STARTS HERE...

Where and what to study? It's a big decision and Open Days are a key part of getting it right.

At our Open Day, you can discover all that awaits you at the University of South Wales. You can explore the campus, sample lectures, see where you'll live and speak to tutors and students – all giving you a real feel for what it's like to be a student here.

This programme gives you a plan of what's happening on the day and essential information, including directions and when to arrive.

The rest is up to you. Be sure to make the most of your day here – ask lots of questions, try things out, take a good look around and make yourself at home.

We hope you find everything you need in this programme, but if you've got any questions, just get in touch. We're looking forward to seeing you!

ENJOY AND GET INVOLVED

This Open Day is the best way to find out if the University of South Wales is right for you, so make the most of it and find out as much as you can.

IMPORTANT INFORMATION

Travel information

Travel information and directions to our Treforest Campus can be found on our website: www.southwales.ac.uk/visiting. Free parking is available for the event.

To help you find your way around, a campus map is on the back of this programme. All locations are within easy walking distance of each other, although a shuttle bus service will be running between the Students' Union (map ref. 14), student accommodation and Treforest train station throughout the day. If you are travelling by train, please alight at Treforest train station.

Registration

There are three registration points on campus; Brecon building (map ref. 3), the Conference Centre (map ref. 13), and Glynneath building (map ref. 6). Registration takes place at specific times, so you need to check the planner (pages 4 and 5) to see what time to register for your subject. To avoid queues at registration, don't forget to bring the letter we sent you with your QR code. If your registration time is later in the morning, you're welcome to arrive a bit earlier and explore the campus or take a tour of our student accommodation.

Help during the Open Day

If you have any questions during the day, simply ask a member of staff or a student ambassador – they're here to help you. There's first aid available, so ask a member of staff if you need it. If there's an emergency, alert the nearest member of staff or call the emergency services on 999.

Welsh speaker?

Croeso! At the University of South Wales, we have lots of opportunities for students who want to develop their Welsh language skills. You can find out more at www.decymru.ac.uk/cymraeg-de-cymru, by e-mailing cymraeg@decymru.ac.uk, or just ask a member of staff while you're here.

TALKS, TOURS AND ADVICE

GET THE VIP TREATMENT

For a VIP experience at the Open Day, download our free UniBox app from Google Play or the iPhone App Store. Make sure you switch on your location services to access all the features.

- 1 Get up-to-date information about the campus you're on and the subject you're interested in.
- 2 Watch videos of your chosen subject to get a real taste of what your studies will be like.
- 3 Be inspired by what our students get up to when they're not studying.
- 4 Get directions from your home to the University, whether you're driving or travelling by public transport.
- 5 Select your campus and subject area to get your own personal timetable.

ESSENTIAL TALKS

Welcome

Start your day by finding out what the University of South Wales has to offer you. From fantastic facilities to excellent support and work experience schemes – it's an exciting time to study here.

Student finance

How much will university cost and how will you pay for it? Get a practical insight into financial support, such as student loans and grants, how and when to apply for funding, and extra sources of income. We will also discuss the scholarships and bursaries available to USW students.

Accommodation

Find out all you need to know about accommodation options at the University of South Wales. Where you live is just as important as what you learn, and we want this to be your home from home.

Student life

In this session, our students share their experiences of life at the University of South Wales, so you know what it's really like to study here – they'll answer any questions you may have too.

TAKE A LOOK AROUND

Get a feel for what it's like to be a student here – take the time to explore on these tours:

Campus tour

Our friendly student ambassadors will take you on a tour of the campus. This is your chance to see all our facilities and ask questions about day-to-day university life. Tours leave from outside the Students' Union (map ref. 14) between 9.30am and 3.00pm, and take around 30 minutes.

Accommodation tour

Take a look at our accommodation and find out about life in Halls of Residence from a student point of view. These tours leave from outside the Students' Union (map ref. 14) between 9.30am and 3.00pm, and take around 30 minutes.

EXPLORE THE CAMPUS

95% OF OUR GRADUATES are in employment or further study within six months of graduation.*

INFORMATION FAIR

You've probably got lots of questions about becoming a student at the University of South Wales. Luckily, there will be people at the Open Day who can answer them.

The Information Fair will be open between 10.00am and 2.30pm in Brecon building (map ref. 3), so drop by and chat to our staff.

Careers

How can you make the most of your time at university to stand out in the graduate jobs market? What career options will you gain from your course? Speak to our careers staff to find out about industry links and the wide range of support available to help give you an edge, including work experience, student enterprise and careers events.

Student finance

Staff from our Student Money Advice Team can answer your queries about all aspects of student finance – including tuition fees, loans, grants and scholarships.

Accommodation

Come and speak to our accommodation staff to find out about the range of accommodation choices available to you.

Applying to university

Speak with our admissions staff to get all the information you need to apply to the University of South Wales.

Disability and dyslexia support

A member of our team will be available to explain the specialist support on offer. To book an appointment to discuss your needs, call 01443 482 080 or e-mail ddsadviser@southwales.ac.uk before your visit.

Subject advice stands

If you have any questions you'd like to ask our teaching staff directly, our subject advice stands will be available in Brecon building (map ref. 3) between 1.30pm and 2.30pm. So whether you need further information about a course or would like to speak to a lecturer face-to-face, you can find out what you want to know.

ASK OUR EXPERTS

At the Information Fair you can ask all the questions you have about studying here

CHOOSE THE RIGHT COURSE

For the Open Day, courses are grouped by subject area. Once you've found the course you want to study, simply note the subject in the heading and check the planner (pages 4 and 5) to see what's happening for that subject and when.
